

### **Facebook profile**

Create a status update and share links with your favorite KBC products with your friends, family and communities.

### **Facebook page**

Create a free dedicated Facebook business page and share links with your favorite KBC products with your followers.

### **Facebook groups**

If you are active in Facebook groups and they allow you to share links with your favorite KBC products, release the affiliate link from time to time, when appropriate.

### **Facebook ads**

Facebook allows you to share links with your favorite KBC products in their ads, and send customers directly to the KBC product page, earning commissions on all sales generated by your ad.

### **Instagram profile**

Share links with your favorite KBC products in your Instagram profile and increase sales by promoting it through your followers.

### **Twitter profile**

Like Instagram, add links with your favorite KBC products to your Twitter profile.

### **Text message**

This is fantastic, if you have a friend who wants to join the KBC Program, simply let them know that you are an affiliate and text them with links to your favorite KBC products! Go easy.

### **Write a blog post about the reviews**

If you have a blog or website, simply create a post titled "KBC Product Review" and share your thoughts, experiences and what you learned while using the products. Share the links with your favorite KBC products in this post and then share the post wherever you can think (including the places mentioned in this post).

### **Send to your mailing list**

If you don't have a list of emails yet, consider starting to collect emails from friends, family and communities so that you can share news updates about yourself, promote links to your favorite KBC products and increase sales to increase monthly commissions.

### **Pinterest**

Did you know that you can promote links to your favorite KBC products using Pinterest? If you have a blog or website, create an image and add targeted keywords, such as "best Korean cosmetics. Where to buy them", "the best Korean face masks" etc. Then, publish your content and add your posts on Pinterest. This will increase your online exposure and encourage sales.

### **Youtube**

Better yet, make your own video about your favorite KBC products and share your link in your YouTube biography and video description. Or, direct viewers to your personal website and share the link with them there. People LOVE watching videos and tutorials.

**LinkedIn**

Share the links of your favorite KBC products in your LinkedIn biography and include in your resume that you are a marketing affiliate! Present yourself as a professional and authority on the subject.

**Forum**

If you are part of any online forum, and share the links of your favorite KBC products with other members of your forum.

**Google Ads**

Google Ads also allow you to share links to your favorite KBC products. Just create an ad and with your link to KBC products, earn commissions when people who search on Google buy using your link.
